I-Cord-Border:

Knit the following way across the first and last three stitches each: k1, p1, k1. Only slip the purl stitches, however, with the yarn in front of the work.

Cast on 36 stitches with color 1, including the 3-stitch-border on both sides. In between, work *k2, p2,* and repeat across the entire scarf.

Knit up two skeins of one color completely, then switch to the next color.

Cast off at the end of the 8th skein in pattern. The purl stitches of the i-cord are also purred here, not slipped.
